

EXCEL

BATHROOM CLEANER

plant based

A powerful bathroom cleaner that neutralises and removes contaminations common in toilet, basin, bath, and shower areas.

- Breaks down oil, soap residues, fungus, water stains, and hard water scale with ease.
- Eliminates odours at their source.
- Light gel texture clings to vertical surfaces to maximise cleaning effect.
- Synthetically blended from three naturally derived organic acids.
- Contains no phosphorous compounds or strong mineral acids common in other products of its type, and in normal use is safe to use in septic systems.

FEATURES	BENEFITS
Mild Acid Cleaning Action	<ol style="list-style-type: none"> 1. Scum and scale break down immediately on contact. 2. Sanitises as it cleans to efficiently neutralise bacteria 3. Boosted with biodegradable surfactants
Exceptional performance	<ol style="list-style-type: none"> 1. Removes soap scum and scale formed on surfaces exposed to hard water conditions 2. Spearmint essential oil re-odourises all treated surfaces 3. Extended protection from soap scum and greasy contaminations, which contribute to odours, bacterial growth and blockages
Suitable for septic systems	<ol style="list-style-type: none"> 1. When used as directed, Excel will not upset the delicate pH balance of the system. 2. Organic acid ingredients are biodegradable and will not place a strain on the system's bacteria in the breakdown phase
Eco-responsible	<ol style="list-style-type: none"> 1. Contains no chlorine, phosphates or nitrates 2. Reduces potential for algal blooms and marine toxicity 3. Biodegrades quickly; a better choice for a healthy Australia

'NO SCRUB' - EASY CLEANING | REMOVES THE TOUGHEST OF STAINS | AMAZING RESULTS
